PRESIDENT'S PONDERINGS

Wow Zontians! I cannot believe we are thinking "back to school" already. The summer is passing quickly. We are thankful for a safe International convention in Nice and keep those families affected by the terrorism of the following week in our thoughts. We look forward to hearing about Kay's experience and the knowledge that she gained.

We have an exciting year coming up. Our main goals of service, advocacy, and PR will continue to be ac-

complished by our club projects and events. We did not have enough available members to participate in the 4th of July parade this year, but can hope for more availability next year to participate (possibly riding in golf carts). One of our main goals will be attracting and retaining members. We will begin our committee planning sessions with our new committees at our meeting on Wednesday.

We have busy fall approaching with the Zonta

says NO walk October 1, and the District 6 Fall Conference in Oakbrook, Illinois October 7-9. We will be discussing these events more at our meeting.

Come energized and ready to brainstorm! We will have a brief trip to France then return to plan the next year. See you Wednesday.
