PRESIDENT'S PONDERINGS

Happy autumn! It's not officially here but the mild temps have made it feel like autumn for quite some time. Now we are getting a little summer heat but we shouldn't complain! This autumn will be busy for us Zontians. Right around the corner will be the Lincoln's Lebanon Festival September 27-28. Bev is at the helm and will be passing around a sign-up sheet for shifts at the September meeting. If you cannot work the event then we ask that you give a monetary donation for the food (suggest at least \$10). Any extra money will go to the scholarship fund. The board has decided on chicken and noodles as the main dish! We might be inching our way back into the hearts and stomachs of our supporters! Lebanon always loved our Chicken Noodle dinner fundraiser and we sure did make a lot of money with it. This will be the simplified

version--chicken and noodles in a cup over mashed potatoes. We will also offer hot-dogs and fixin's for the kids.

The Pasta Fundraiser will be kicking off soon. Pam will be running this fundraiser. Pam will send out the information with instruction. All you need to do is share the site on your Facebook page and/or send the link via email and/or tell your friends, then we will watch the money roll in! This fundraiser will run 6 weeks, Oct 1 through Nov 15. This fundraiser is EASY! And we need to keep in mind that without the raffle, which was a hard one for most of us, we run the risk of not having enough money to fund 3 scholarships! *SO LET'S DO EASY!*

"Ladies Night Out" will require a lot of work to organize and run but it will be the MOST FUN and will be a

great time for fellowship with like-minded women! The planning will kick off soon and most members will be assigned tasks. Big fundraisers require big planning!

There is still time to register for the District 6 Conference in October. Currently 5 members are going. If you are a first-timer please take advantage of Joanna's offer to pay the registration of a first-timer. Kay will do the same for a second first-timer. Just like the International Convention, it is fun to reunite with old friends and connect with new. Please let me know if you want to attend as a first timer and I will help coordinate the free registration for first-timers.

See you all at the REMC building September 3rd!

DISTRICT 6 AT ZI CONVENTION

from the District 6 website

All but one of our 26 clubs were represented at the 62nd Zonta International Convention held June 26-July 2nd in Orlando, FL, 22 of which had delegates attending, with three represented by proxy. District 6 had one of the largest delegations, with about 60 attending, out of almost 1,600 members at convention. Schedules were full, with leadership training, open forum, volunteer assignments and business sessions. It took two photo appointments to get all of us in one of the two pictures. Opening ceremony was impressive and special for District 6 with the Zonta International flag carried by Jacqueline Beaudry, Chairman of the Zonta International Foundation Development Committee and Past Governor of District 6.

UN WOMEN & BEIJING+20

Looking for inspiration? Find it--a great deal of it--on the UN Women website. The "Voices and Profiles" page includes links to inspirational blogs and profiles of celebrities, women's rights activists, and other well-known personalities. The "Women of Achievement" page shares profiles of women who've made outstanding contributions in their fields: polar exploration, finance, space exploration, politics, aviation--the list goes on. Visit <http://beijing20.unwomen.org/> for more information about the Beijing Platform for Action, as well as a calendar of events, news about UN Women, and a short but educational quiz.

DID YOU KNOW?

You probably know the Hearst publication *Cosmopolitan* (or *Cosmo*) as a magazine written for young women that features articles on relationships, sex, health, careers, fashion, self-improvement, and beauty. Currently *Cosmo* has 64 international editions and is distributed in more than 110 countries.

What you may **not** know is that *The Cosmopolitan* began publication in 1886 as a literary magazine. It was designed to be a "first-class family magazine" and had a special section devoted to the concerns of women, including fashion, cooking, and the care and management of children. Initially very successful, circulation began to decline in the 1950s. *Cosmo* was revived and reinvented as a modern women's magazine in 1965 with the arrival of Helen Gurley Brown. Visit <http://bit.ly/VVROCY> to read Wikipedia's fascinating history of *Cosmopolitan*.
