PRESIDENT'S PONDERINGS

September will be an exciting month for our club. We have our meeting program on Wednesday with a trip to Zonta International Convention in Nice, France. Our new committees met at the August meeting and came up with some fantastic ideas for the coming year. We will report on progress at the meeting.

On September 24th and 25th we will join as a club and supply food at Lincoln Days for one of our largest fund raisers. Then on Thursday, September 29th we will host an informa-

tional reception at Boone REMC to spread the word about our club to interested ladies. Thanks to our fundraising and membership committees for coordinating these events!

September 8th is International Literacy Day. The World Literacy Foundation's 2016 campaign 'The Sky's The Limit' is an exciting opportunity to participate in International Literacy Day and promote the profile of literacy within your school and local community. This year, the World Literacy Foundation has created an innovative cam-

aign that aims to eliminate the digital divide for students in the developing world, and increase student engagement via an exciting digital learning platform. Schools are able to sign up until September 7th. Encourage those that you have affiliation with to look into this program.

Check your passport and get ready for a trip abroad!

Zonta Says No Walk October 1, 2016

DO - plan to be there! DO - wear your ZSN shirt! DO - bring your friends and family!
DON'T - worry if you're not wearing orange! DON'T - worry if you can't walk!
We'll need help monitoring the information tables, and we'll have a speaker at Monument Circle.
Please plan to come and share wonderful morning with fellow Indiana Zontians and supporters!
